

June 5, 2013

MN School of Business
Attn: Colan Boggess
1401 West 76th Street
Richfield, MN 55423

Dear Colan,

Thank you so much for your help with the Better Business Bureau Focus Luncheon: “Computer BBBasics.” The luncheon, held at the BBB office on May 15, 2013, was a success – in large part due to the participation of you and your other colleagues in RITA.

Our staff appreciated your involvement in this focus luncheon, and was so impressed at your knowledge of the subject matter and the way you conducted yourself with the attendees. You went above and beyond what was expected of you, and we were very impressed. I know those in attendance were grateful for your help!

We would be open to partnering with RITA and the MN School of Business again on future computer trainings for our Accredited Businesses.

Thank you for your help!

Sincerely,

Sarah Hilliker
