

Coal's Legend

(A jalan production)

Back Story

Wergghost- anti- hero/shadow

Name: Coal

Motivation: Power

History: He died in a movie theatre many years ago. He was reborn as a Wergghost and he terrorized the people that went into the Southdale movie theatre. Each day he would scare more and more people. At first it was a good feeling doing all the harm to people, but soon he started to realize that it just wasn't the same terrorizing people, he felt different about it all. As his new feelings finally faded he became more power hungry.

Deepening: When he was a little boy his mom was only taking care of him. Rarely though his father would bring him to the movies.

Regular ghost- Protagonist

Name: Casper

Motivation: having fun, enjoying after life.

History: He died in a movie theatre many years ago. He was reborn as a Wergghost and never left the theatre. He terrorized the people that went into the Southdale movie theatre. Each day he would scare more and more people. At first it was a good feeling doing all the harm to people, but soon he started to realize that it just wasn't the same terrorizing people, he felt different about it all. Until one day he was able to change into a regular ghost you are less mean.

Deepening: When he was a little boy his mom was only taking care of him. Rarely though his father would bring him to the movies.

Good Mandark- Hero
