

Once upon a time there was a wherghost and it terrorized the people that went into the movie theatre.

Choice: Change into a werewolf ghost or remain a regular ghost?

Wherghost: One day it changed the movie theater into an evil palace

Regular ghost: Is a nice ghost to people and only says "boo"

Choice: Wherghost: continue showing movies?

Yes (continue showings): and then a good mandark went to view one of the showings

No (stop showings): and then since the wherghost was so evil there was an evil mandark that came to him to give him more power

Choice: Yes (continue showings): attack the mandark?

Yes (attack): Until finally the wherghost attacked the good mandark. Afterward he defeats you and the world comes into endless peace. Story ends

No (attack): Until finally when you get up for a midnight snack, you find the good mandark eating all of your cookies

Choice: Attack the mandark or start a conversation?

Attack: You attack the mandark and succeed in killing him and the world bursts into darkness. Story ends

Conversation: You find out the mandark is a cool guy and you become friends. After the talk you agree to be a good wherghost for the rest of your days. story ends

Choice: No (stop showings): Agree to let him teach you or try and overthrow him?

Agree: You get so much power that a week later you overthrow him and become darth vader. Story ends

Overthrow: In an epic attempt to overthrow mandark, you fail and he takes you place as palace ruler. Story ends

Choice: Regular Ghost: Go to MOA theatre for midnight showing of 'The Avengers' or stay at Southdale?

MOA: You get some popcorn and soda and decide to watch the movie instead of scare people

Southdale: There is a 911 call for a ghost scaring people continuously and the Ghostbusters come to get you!

Choice: MOA: Scare people after the movie, or just walk out?

Scare: You start to scare people when they leave the theatre but there is someone that opposes you

Walk out: After the movie you walk out and realize that it was really nice. Afterward you now feel like you are human, but wait you are.... story ends

Choice: Scare: Approach or say distant?

Approach: As you approach him you realize he is mandark, who is very evil. You guys have a big fight and you succeed in victory and the world is saved from darkness. Story ends

Distant: As you ignore the man creeping on you and continue into the theatre, you get jumped half way there. And evil demon kills you and the world plunges into darkness. Story ends

Southdale: You are then attacked by the Ghostbusters. You were able to take one down, but don't know how much longer you stand up to the remaining two. In the corner of your eye you see a strange figure gesturing you for you to come over.

Choice: Southdale: You maneuver over to approach the strange figure, or continue the battle?

Approach: You discover that it is mandark and he wants to help defeat your enemy's if you agree to help him after this fight.

Choice: Southdale: Receive help from mandark, or continue this battle alone?

Receive help: With the much help needed from mandark you win, but since you decided to help him he asked for you to sacrifice yourself in order to create eternal peace within the world. Story ends

Don't receive help: In giving it all you had to take down yet one more Ghostbuster you feel the ghostliness fading from you. In dyeing again with honor you are sent to heaven. Story ends

Don't approach: Ignoring the strange figure you continue focusing on the battle. In your efforts you were able to kill yet another Ghostbuster, but in doing so you feel your ghostliness fading. In this state of shock you begin to think.

Choice: Southdale: Use your special ability, or die with honor?

Special: After thinking about it you use your special ability. With it you use you special power to draw energy from the screaming and frightened people in the area. You now have the power to defeat the last one.

Choice: Southdale: Finish the last one, or tell him to back down and leave?

Finish Him: After finishing him you feel the power overwhelming you and you becoming more and more powerful. Mandark, an old friend tries to get you out of this state, but you kill him and thus the world bursts into flames. Story ends

Talk: As you tell the Ghostbuster "Leave your efforts are in vain, I'm unstoppable" he leaves. Soon after mandark an old friend asks you to join him to take over the world?

Choice: Southdale: Rule the world, or do your own thing?

Rule the world: You rule the world and become king. Story ends

Be on your own: You eventually calm and become the nice ghost, but decided to haunt college libraries. Story ends

Die again: In dyeing with honor you are able to go into heaven and live a peacefully for eternity. Story ends
